### Tinbeerwah hilltop location ? peaceful family getaway

Nestled comfortably into the folds of the Tinbeerwah range and adjoining the Tewanin State Forest, this unique property on approximately 10 acres has been a fond family getaway for many years.

Offering space, privacy, views and refreshing summer breezes you can switch off the technology and just sit on the deck and enjoy the views down the valley to Mt Tinbeerwah lookout or the kookaburras and other wildlife at play.

The home, with separate guest accommodation, provides a perfect family weekender. A wide timber deck runs the length of the house while inside features include wood floors and a be
